# CIRCULAR TO VUKILE LINKED UNITHOLDERS

---

## 1. INTRODUCTION

Vukile year-end results for the 12 months ended 31 March 2013 were released on SENS on Monday, 27 May 2013. Vukile linked unitholders ("linked unitholders") were advised in these results that the directors of Vukile have declared a cash distribution of 74.56 cents per linked unit (comprising interest of 74.40815 cents and a dividend of 0.15185 cents per linked unit) for the six months ended 31 March 2013. Linked unitholders have been provided with the election to re-invest the cash distribution in return for Vukile linked units. By electing to receive linked units, linked unitholders will be able to increase their linked unitholding in Vukile without incurring dealing costs and uncertificated securities tax. In turn, Vukile will benefit from an increase in the amount of linked unitholders' funds available to support continued growth.

Linked unitholders will be entitled, in respect of all or part of their linked unitholding, to elect to participate in the linked unit alternative failing which they will receive the cash distribution of 74.56 cents per linked unit (comprising interest of 74.40815 cents and a dividend of 0.15185 cents per linked unit) that will be paid to those linked unitholders not electing to participate in the linked unit alternative. The number of linked units to which linked unitholders are entitled will be determined with reference to the ratio that 74.56 cents per linked unit bears to the ratio price (i.e. the five-day volume weighted average traded price (ex-distribution) of Vukile linked units on the JSE prior to the finalisation date). The price will be announced on the finalisation date, which will be no later than Thursday, 6 June 2013 (by 11:00).

## 2. PURPOSE OF THIS CIRCULAR

The purpose of this circular is to provide linked unitholders with information regarding the cash distribution and the linked unit alternative.

## 3. THE CASH DISTRIBUTION AND THE LINKED UNIT ALTERNATIVE

### 3.1 Terms of the cash distribution

Subject to the terms contained in this circular and the attached form of election pertaining to certificated linked unitholders, linked unitholders recorded in the register of Vukile at the close of business on the record date who have not elected to participate in the linked unit alternative, will be paid the cash distribution.

### 3.2 Procedure for linked unitholders to receive the cash distribution

Linked unitholders who wish to receive the cash distribution do not need to take any further action. If no election is made to participate in the linked unit alternative, linked unitholders will receive the cash distribution in respect of all the linked units held on the record date.

### 3.3 Procedure for linked unitholders who elect to receive the linked unit alternative

Linked unitholders who hold certificated linked units and wish to elect to receive linked units must complete the attached form of election in accordance with the instructions contained therein and lodge it with the transfer secretaries, Link Market Services South Africa (Proprietary) Limited, 13th Floor, Rennie House, 19 Ameshoff Street, Braamfontein, 2001 (PO Box 4844, Johannesburg, 2000), to be received no later than 12:00 on the record date.

Linked unitholders who have dematerialised their linked units through a CSDP or broker must not complete the attached form of election, but should instruct their CSDP or broker with regard to their election in terms of the custody agreement entered into between them and their CSDP or broker.

Linked unitholders may make the election in respect of all or part of their linked units held on the record date. If an election is made in respect of part of a linked unitholding, linked unitholders will receive the cash distribution in respect of the linked units for which the election is not made.

### 3.4 Posting of linked unit certificates and crediting of CSDP or broker accounts

Linked unitholding certificates in respect of the linked units relating to the linked unit alternative will be dispatched to the certificated linked unitholders at the risk of such linked unitholders on or about Tuesday, 25 June 2013, to the registered addresses or in accordance with instructions given to the transfer secretaries via registered post. Dematerialised linked unitholders' CSDP or broker accounts will be credited on Tuesday, 25 June 2013 in respect of the linked unit alternative.

### 3.5 Linked unitholders wishing to receive the cash distribution

The cash distribution of 74.56 cents per linked unit will be paid via electronic transfer into the personal bank accounts of certificated linked unitholders who have not elected the linked unit alternative award only in the event that the transfer secretaries are already in possession of their banking details. Where the transfer secretaries do not have the banking details of the aforesaid certificated linked unitholders, distribution cheques will be dispatched at the risk of such linked unitholders on or about Monday, 24 June 2013, to their registered addresses, or in accordance with the instructions given to the transfer secretaries, or in the case of dematerialised linked unitholders the cash will be credited to their accounts held at their CSDP or broker.

## 4. FRACTIONS

Trading in the Strate environment does not permit fractions and fractional entitlements. Accordingly, where a linked unitholder's entitlement to the linked units in relation to the linked unit alternative calculated in accordance with the formula mentioned in paragraph 1 above gives rise to a fraction of a new linked unit, such fraction will be rounded up to the nearest whole number where the fraction is greater than or equal to 0.5 and rounded down to the nearest whole number where the fraction is less than 0.5.

## 5. TAX IMPLICATIONS

The gross distribution of 74.56 cents per linked unit comprises an interest portion of 74.40815 cents and a dividend portion of 0.15185 cents per linked unit. The dividend portion is subject to Dividend Withholding Tax ("Dividend Tax") of 15% in accordance with South African Income Tax legislation, subject to any available exemptions as applicable. For entities subject to Dividend Tax, the net distribution will be 74.53722 cents per linked unit (comprising interest of 74.40815 cents and a dividend of 0.12907 cents). Unitholders' exempt from paying Dividend Tax will receive a distribution of 74.56 cents per linked unit (comprising interest of 74.40815 cents and a dividend of 0.15185 cents). A worked example illustrating the impact of Dividend Tax will be announced as part of the finalisation information on Thursday, 6 June 2013.

Other information:

- The ordinary issued share capital of Vukile is 451 553 040 ordinary shares of 1 cent each before any election to reinvest the cash distribution.
- Income Tax Reference Number of Vukile: 933/161/711/43.
- There are no secondary tax on company ("STC") credits available to be utilised against the Dividend Tax.

This cash distribution or linked unit alternative may have tax implications for resident as well as non-resident linked unitholders. Linked unitholders are therefore encouraged to consult their professional advisors should they be in any doubt as to the appropriate action to take.

If applicable, an announcement relating to the treatment of taxation will be published on SENS and/or in the press.

## 6. LISTING OF NEW VUKILE LINKED UNITS

Application will be made to the JSE for the maximum possible number of linked units to be issued in terms of the linked unit alternative to be listed with effect from the commencement of business on Tuesday, 18 June 2013. A further application will be made to the JSE to adjust the maximum number of new linked units listed to take into account the actual number of linked units issued to linked unitholders on or about Wednesday, 26 June 2013.

## 7. FOREIGN LINKED UNITHOLDERS

The distribution of this circular and/or accompanying documents and the right to elect linked unit alternative linked units in jurisdictions other than the Republic of South Africa may be restricted by law and a failure to comply with any of these restrictions may constitute a violation of the securities laws of any such jurisdictions. The linked units have not been and will not be registered for the purposes of the election under the securities laws of the United Kingdom, European Economic Area or EEA, Canada, United States of America, Japan or Australia and accordingly are not being offered, sold, taken up, re-sold or delivered directly or indirectly to recipients with registered addresses in such jurisdictions.

## 8. EXCHANGE CONTROL

In terms of the Exchange Control Regulations of South Africa:

### 8.1 in the case of certificated unitholders:

The election by emigrants for the above purpose must be made through the authorised dealer in foreign exchange controlling their blocked assets. Such new linked unit certificates will be endorsed "non-resident"; and
- cash distribution payments due to non-residents are freely transferable from South Africa. In respect of all non-residents of the common monetary area (collectively the Republic of South Africa, the Republic of Namibia and the Kingdoms of Lesotho and Swaziland), the cash distribution payments due will be sent to the registered address of the linked unitholder concerned or in accordance with instructions given to the transfer secretaries;

### 8.2 in the case of dematerialised linked unitholders:

- any linked units issued to emigrants from the common monetary area and all other non-residents of the common monetary area, will be credited to their CSDP or broker's account and a "non-resident" annotation will appear in the CSDP or broker's register;
- any cash distribution paid to emigrants from the common monetary area, will be credited to their CSDP or broker's accounts which will arrange for the same to be credited directly to the shareholder's blocked Rand account held by that shareholder's authorised dealer and held to the order of that authorised dealer; and
- any cash distribution paid to non-resident linked unitholders who are not emigrants from the common monetary area, will be credited directly to the bank account nominated for the relevant linked unitholders, by their duly appointed CSDP or broker.
