CIRCULAR TO VUKILE SHAREHOLDERS

1. INTRODUCTION

On Thursday, 29 November 2018 it was announced on SENS that the directors of Vukile have declared a cash dividend of 78.10251 cents per share ("**cash dividend**") for the six months ended 30 September 2018. Shareholders have been provided with the election to reinvest the cash dividend in return for Vukile shares ("**dividend reinvestment alternative**"). By electing the dividend reinvestment alternative, shareholders will be able to increase their shareholding in Vukile without incurring dealing costs. In turn, Vukile will benefit from an increase in the amount of shareholders' funds available to support continued growth.

Shareholders will be entitled, in respect of all or part of their shareholding, to elect to participate in the dividend reinvestment alternative, failing which, they will receive the cash dividend of 78.10251 cents per share that will be paid to those shareholders not electing to participate in the dividend reinvestment alternative. The number of shares to which shareholders are entitled will be determined with reference to the ratio that 78.10251 cents per share bears to the reinvestment price. The reinvestment price will be determined by Vukile (and announced on SENS) by no later than the finalisation date with reference to market conditions at the time, including with reference to the spot price per Vukile share (less the cash dividend) and the volume weighted average trade price per Vukile share for up to 30 days prior to the finalisation date (less the cash dividend). The reinvestment price will be announced on the finalisation date, which will be no later than Monday, 10 December 2018 (by 11:00).

2. PURPOSE OF THIS CIRCULAR

The purpose of this circular is to provide shareholders with information regarding the cash dividend and the dividend reinvestment alternative.

3. THE CASH DIVIDEND AND THE DIVIDEND REINVESTMENT ALTERNATIVE

3.1 Terms of the cash dividend

Subject to the terms contained in this circular and the attached form of election pertaining to certificated shareholders, shareholders recorded in the register of Vukile at the close of business on the record date who have **not** elected to participate in the dividend reinvestment alternative, will be paid the cash dividend.

3.2 Procedure for shareholders to receive the cash dividend

Shareholders who wish to receive the cash dividend do not need to take any further action. If no election is made to participate in the dividend reinvestment alternative, shareholders will receive the cash dividend in respect of all the shares held on the record date.

3.3 Procedure for shareholders who elect the dividend reinvestment alternative

Shareholders who hold certificated shares and wish to elect to receive shares must complete the attached form of election in accordance with the instructions contained therein and lodge it with the transfer secretaries, Link Market Services South Africa Proprietary Limited, 13th Floor, 19 Ameshoff Street, Braamfontein, 2001 (PO Box 4844, Johannesburg, 2000), to be received no later than 12:00 (SA time) on the record date.

Shareholders who have dematerialised their shares through a CSDP or broker must complete the attached form of election but should instruct their CSDP or broker with regard to their election in terms of the custody agreement entered into between them and their CSDP or broker.

Shareholders may make the election in respect of all or part of their shares held on the record date. If an election is made in respect of part of a shareholding, shareholders will receive the cash dividend in respect of the shares for which the election is not made.

3.4 Posting of share certificates and CSDP or broker accounts

Share certificates in respect of the shares relating to the dividend reinvestment alternative will be dispatched to the certificated shareholders at the risk of such shareholders on or about Friday, 28 December 2018, to the registered addresses or in accordance with instructions given to the transfer secretaries via registered post.

Dematerialised shareholders' CSDP or broker accounts will be credited on Friday, 28 December 2018 in respect of the dividend reinvestment alternative.

3.5 Payment of the cash dividend

The cash dividend of 78.10251 cents per share will be paid via electronic transfer into the personal bank accounts of certificated shareholders who have not elected the dividend reinvestment alternative only in the event that the transfer secretaries are already in possession of their banking details. Where the transfer secretaries do not have the banking details of the aforesaid certificated shareholders, the cash dividend of 78.10251 cents per share will be held in trust by the transfer secretaries pending receipt of the relevant certificated shareholder's banking details whereafter the cash dividend will be paid via electronic transfer into the personal bank accounts of such certificated shareholders.

Dematerialised shareholders' CSDP or broker accounts will be credited with the cash dividend on Monday, 24 December 2018.

4. FRACTIONS

Trading in the Strate environment does not permit fractions and fractional entitlements. Where a shareholder's entitlement to the shares in relation to the dividend reinvestment alternative calculated in accordance with the formula mentioned in paragraph 1 above gives rise to an entitlement to a fraction of a new share, such fraction will be rounded down to the nearest whole number with the cash balance of the dividend being retained by the shareholders.

5. TAX IMPLICATIONS

Vukile was granted REIT status by the JSE Limited with effect from 1 April 2013 in line with the REIT structure as provided for in the Income Tax Act, No. 58 of 1962, as amended (the "**Income Tax Act**") and section 13 of the JSE Listings Requirements.

The REIT structure is a tax regime that allows a REIT to deduct qualifying distributions paid to investors, in determining its taxable income.

The cash dividend of 78.10251 cents per share meets the requirements of a "qualifying distribution" for the purposes of section 25BB of the Income Tax Act ("**qualifying distribution**") with the result that:

- qualifying distributions received by resident Vukile shareholders must be included in the gross income of such shareholders (as a non-exempt dividend in terms of section 10(1)(k) (i)(aa) of the Income Tax Act), with the effect that the qualifying distribution is taxable as income in the hands of the Vukile shareholder. These qualifying distributions are, however, exempt from dividends withholding tax, provided that the South African resident shareholders provided the following forms to their CSDP or broker, as the case may be, in respect of uncertificated shares, or the Company, in respect of certificated shares:
 - a declaration that the dividend is exempt from dividends tax; and
 - a written undertaking to inform the CSDP, broker or the Company, as the case may be, should the circumstances affecting the exemption change or the beneficial owner cease to be the beneficial owner,

both in the form prescribed by the Commissioner for the South African Revenue Service. Shareholders are advised to contact their CSDP, broker or the Company, as the case may be, to arrange for the abovementioned documents to be submitted prior to payment of the dividend, if such documents have not already been submitted.

- qualifying distributions received by non-resident Vukile shareholders will not be taxable as income and instead will be treated as ordinary dividends but which are exempt in terms of the usual dividend exemptions per section 10(1)(k) of the Income Tax Act. Any qualifying distribution are subject to dividends withholding tax, at 20%, unless the rate is reduced in terms of any applicable agreement for the avoidance of double taxation ("**DTA**") between South Africa and the country of residence of the shareholder. Assuming dividends withholding tax will be withheld at a rate of 20%, the net dividend amount due to non-resident shareholders is 62.48201 cents per share. A reduced dividend withholding rate in terms of the applicable DTA, may only be relied upon if the non-resident shareholder has provided the following forms to their CSDP or broker, as the case may be, in respect of uncertificated shares, or the Company, in respect of certificated shares:

- a declaration that the dividend is subject to a reduced rate as a result of the application of a DTA; and
- a written undertaking to inform their CSDP, broker or the Company, as the case may be, should the circumstances affecting the reduced rate change or the beneficial owner cease to be the beneficial owner,

both in the form prescribed by the Commissioner for the South African Revenue Service. Non-resident shareholders are advised to contact their CSDP, broker or the Company, as the case may be, to arrange for the abovementioned documents to be submitted prior to payment of the dividend if such documents have not already been submitted, if applicable.

Shareholders who are South African residents are advised that in electing to participate in the dividend reinvestment alternative, pre-taxation funds are utilised for reinvestment purposes and that taxation will be due on the total cash dividend amount of 78.10251 cents per share.

Other information:

- The ordinary issued share capital of Vukile is 898 228 624 ordinary shares of no par value before any election to reinvest the cash dividend.
- Income Tax Reference Number of Vukile: 9331/617/114/3.

This cash dividend or dividend reinvestment alternative may have tax implications for resident as well as non-resident shareholders. Shareholders are therefore encouraged to consult their tax and/or professional advisors should they be in any doubt as to the appropriate action to take.

If applicable, an announcement relating to the treatment of taxation will be published on SENS.

6. LISTING OF NEW VUKILE SHARES

Application will be made to the JSE for the maximum possible number of shares to be issued in terms of the dividend reinvestment alternative to be listed with effect from the commencement of trade on Friday, 21 December 2018. A further application will be made to the JSE to adjust the maximum number of new shares listed to take into account the actual number of shares issued to shareholders on or about Monday, 24 December 2018.

7. FOREIGN SHAREHOLDERS

The distribution of this circular and/or accompanying documents and the right to elect shares under the dividend reinvestment alternative in jurisdictions other than the Republic of South Africa may be restricted by law and a failure to comply with any of these restrictions may constitute a violation of the securities laws of any such jurisdictions. It is the responsibility of each foreign shareholder to satisfy himself as to the full observation of the laws and regulatory requirements of the relevant foreign jurisdiction in connection with the dividend reinvestment alternative. The shares have not been and will not be registered for the purposes of the election under the securities laws of the United Kingdom, European Economic Area, Canada, United States of America, Japan or Australia and accordingly are not being offered, sold, taken up, re-sold or delivered directly or indirectly to recipients with registered addresses in such jurisdictions.

The election by emigrants for the above purpose must be made through the authorised dealer in foreign exchange controlling their blocked assets. - cash dividend payments due to non-residents are freely transferable from South Africa. In respect of all non-residents of the common monetary area (collectively the Republic of South Africa, the Republic of Namibia and the Kingdoms of Lesotho and Swaziland), the cash dividend payments due will be sent to the registered address of the shareholder concerned or in accordance with instructions given to the transfer secretaries;

8.2 in the case of dematerialised shareholders:

- any shares issued to emigrants from the common monetary area and all other non-residents of the common monetary area, will be credited to their CSDP or broker's account and a "**non-resident**" annotation will appear in the CSDP or broker's register;
- any cash dividend paid to emigrants from the common monetary area, will be credited to their CSDP or broker's accounts which will arrange for the same to be credited directly to the shareholder's blocked Rand account held by that shareholder's authorised dealer and held to the order of that authorised dealer; and
- any cash dividend paid to non-resident shareholders who are not emigrants from the common monetary area, will be credited directly to the bank account nominated for the relevant shareholders, by their duly appointed CSDP or broker.
